Date of Release: 16th November 2009
Support Information: For more information or support, please visit our website www.wellnomics.com or email us at support@wellnomics.com.
Recommended Upgrade for All Users

▶ Introduction

This document contains the release notes for Wellnomics WorkPace version 3.9. The following sections describe the release in detail and provide late-breaking or other information that supplements the main document.

Please note: Upgrading to this release from a previous build of Wellnomics WorkPace 3.0, 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.7 or 3.8 is only possible when the existing Wellnomics WorkPace installation is registered with a valid maintenance key that is up to date.

▶ New in Version 3.9 **CRITICAL UPDATE - PLEASE REVIEW**

Patched for critical security vulnerability.

This update contains important security fixes recommended for all customers running Wellnomics WorkPace with Windows 2000, XP or Vista.

Please contact Wellnomics Support for further details: Support@wellnomics.com.

Important Note Regarding Wellnomics WorkPace Maintenance Agreements and Registration Expiry

You must have a valid Wellnomics maintenance agreement to be able to install this update.

If after installation, Wellnomics WorkPace prompts that your registration has expired, please contact your supplier for a valid Wellnomics WorkPace Registration Key. If your supplier cannot provide you with a valid Registration Key, this may indicate that they are not an authorized Wellnomics WorkPace support agent. Only authorized Wellnomics WorkPace Resellers are able to renew Wellnomics WorkPace Maintenance Contracts.

Please note that it is illegal to use Trial Expiry codes or “Temporary Year Keys” (Tijdelijke jaarsleutel) to continue using Wellnomics WorkPace without a valid Registration Key. Trial Expiry codes or Temporary keys are solely for the purpose of running short term trials, and do not constitute a valid license for Wellnomics WorkPace.

WorkPace® and Wellnomics® are the Registered Trademarks of Wellnomics Ltd, New Zealand

► Installing and Upgrading

Installation

For a new installation on a stand-alone PC, double-click on the product installer executable (available for download from our website www.workpace.com) to launch to installation application. Further instructions are given during the installation process. Please ensure that you select the 'Local' installation option when prompted.

For a new installation within a corporate networked environment, please see the IT Administrator's Guide for full details (<http://www.workpace.com/doc/IT-Administrators-Guide-A4.pdf>).

Upgrade

Upgrading to this release from a previous build of Wellnomics WorkPace 3.0, 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.7 and 3.8 is only possible when the existing Wellnomics WorkPace installation is registered with a valid maintenance key, and that key is up to date.

This version of the product will automatically detect and upgrade your existing stand-alone local installation of Wellnomics WorkPace to the new release.

For upgrading the product within a corporate networked environment, please see the IT Administrator's Guide for full details (<http://www.workpace.com/doc/IT-Administrators-Guide-A4.pdf>).
